Overcomers in 2021 (Part 3)

No two Christian's lives are the same in terms of their struggles and triumphs. The basis of victory is the same, faith in the person and work of Christ and our blessings in Him, but the struggles are different and it seems that God tailors the rewards accordingly.

These letters do not present victory as a certainty, but rather as an aspiration which each individual should pursue. The Savior's words are never to them who overcome, but to him who overcomes. Victory is not a collective right, but an individual attainment ... Clearly, the promises to the overcomers are rewards for obedience to the commands of the Lord of the Church.

The problems that most have with this view come in the nature of the rewards mentioned in these promises and admittedly, these are difficult. The rewards in **Revelation 2 and 3** are usually viewed as blessings all believers will automatically receive as, for instance, the right to the tree of life. This is associated with possessing eternal life, but as we will see, this is probably not the case.

Prayer Request

Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much. **James 5:16**

“Things Blacks Should Know About COVID-19 Vaccination Program”

Submitted by: **Beatrice Ramsey**

There is currently a limited supply of COVID-19 vaccine in the United States, but supply will increase in the weeks and months to come.

The goal is for everyone to be able to easily get vaccinated against COVID-19 as soon as large enough quantities are available. Once the vaccine is widely available, the plan is to have several thousand vaccination providers offering COVID-19 vaccines in doctors' offices, retail pharmacies, hospitals, and federally qualified health centers.

After COVID-19 vaccination, you may have some side effects. This is a normal sign that your body is building protection.

The side effects from COVID-19 vaccination may feel like flu and might even affect your ability to do daily activities, but they should go away in a few days.

Can a COVID-19 vaccine make me sick with COVID-19?

No. None of the COVID-19 vaccines contain the live virus that causes COVID-19 so a COVID-19 vaccine cannot make you sick with COVID-19.

Cost is not an obstacle to getting vaccinated against COVID-19.

Vaccine doses purchased with U.S. taxpayer dollars will be given to the American people at no cost. However, vaccination providers may be able to charge administration fees for giving the shot.

Honoring Dr. Martin L. King, Jr.
