Grown and Evangelizing (Part 17)

Submitted by: Eric W. Doss

Observation Question: How did Paul respond to these attacks from the brethren, and what can we learn from his response?

Paul said, "Let him who preaches another gospel be condemned—eternally condemned!" Listen to what he says in **Galatians 5:12**: "As for those agitators, I wish they would go the whole way and emasculate themselves!"

Paul said he wished that those who preached circumcision would just completely emasculate themselves. When it came to the gospel, protecting the church, and honoring God, Paul was like a lion.

However, when it came to personal offense, Paul was like a lamb. He said this to the Philippians: "But what does it matter?" (v. 18). "What does it matter? Who cares if they mock me—make up lies about me? Who cares if they mock my appearance and talk bad about my sermons?"

Prayer Request

Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much. **James 5:16**

HealthCare Ministry Reducing COVID's Toll (Part 2)

U.S. adults by Covid vaccination status, Feb. 2022

By The New York Times

These vaccinated-but-unboosted Americans are clearly open to receiving a Covid shot. And many would benefit significantly from getting boosted. Without a booster, immunity tends to wane. With a booster, people are even more protected than they were shortly after receiving a second shot, data shows.

Consider the numbers from California, which publishes detailed data by vaccination status. For every million boosted Californians, fewer than two have been hospitalized with Covid at any given time recently:
