

May 21, 2023 Vol. 21
Senior Minister, Evangelist Eric W. Doss

MISSION: "To proclaim and teach the message of Jesus Christ, live for God, love one another and minister faithfully to people."

MEMORY VERSES: "God is our refuge and strength, a very present help in trouble." **Psalms 46:1**
"Humble yourselves therefore under the mighty hand of God, that He may exalt you in due time: Casting all your care upon Him; for He careth for you." **1 Peter 5:6 & 7**

MOTTO: GOD LOVES YOU AND WE LOVE YOU TOO!

May Focus THEME: God's Flowers & Showers

From the Minister's Desk

To our distinguished visitors:

We are honored to have you worship with us! We'd love to get to know you better, share our mission and vision as a church and explore how you can become a part of our family.

If you, any member of your family or friends you know of are interested in becoming a member of the Liberty City Church of Christ, please contact any member of the Liberty City Church of Christ and they will direct your request to our Evangelism Ministry Leaders or you may call our Evangelist directly, Eric W. Doss (813) 451-0121.

We are regular people from all walks of life. We are imperfect. We have strengths and weaknesses. But we love a perfect God, who sent the greatest example, Jesus Christ, and we want to spend eternity with Him.

We hope you will join us on this journey.

SUNDAY MORNING WORSHIP, FOLLOWED BY SUNDAY SCHOOL ON April 16, 2023 - 8:00AM

PLUG INTO
**THE POWER
OF PRAYER**

*Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus - **Philippians 4:6-7***

Prayers / Special Prayers

Continue to pray for our families in bereavement, our students, our teachers, cities & countries in turmoil, cities and countries devastated by natural disasters, our government officials, our first responders, and all hospital staff

Love gives us memories. Faith gives us strength. Our hearts and prayers are with our bereaved sisters and brothers in Christ.

Praying for Corey Mitchell, the nephew of Sis Debra Carter & their family at the passing of Corey's daughter.

Conjunctivitis (Pink Eye)

Submitted by: **Beatrice Ramsey**

Pink eye is inflammation of the transparent membrane that lines the eyelid and eyeball. This membrane is called the conjunctiva. When small blood vessels in the conjunctiva become swollen and irritated, they become more visible. This causes the whites of the eyes to appear reddish or pink. **COMPLICATIONS:** Pink eye can cause inflammation in the cornea that will affect vision. Prompt evaluation and treatments by your doctor can reduce the risk of complications. Such as eye pain, a feeling that something is stuck in your eye, blurred vision, and light sensitivity. The most common symptoms are redness in one or both eyes, tearing and a discharge in one or both eyes that forms a crust during the night, that may prevent your eye or eyes from opening in the morning.

THE THREE TYPES OF CONJUNCTIVITIS: 1) Viral conjunctivitis is very contagious and is often spread in crowded places. It causes a watery discharge, from the affected eye or eyes. By the same virus that causes runny nose and sore throat in people with a common cold. 2) Bacterial conjunctivitis is also very contagious. You will have soreness with a lot of sticky pus in the eye. Sometimes the bacterial infection is the same bacteria that causes strep throat. 3) Allergic conjunctivitis comes from an allergic reaction to pollen, animals, pool chlorine, smoke, flowers and car fumes. It is not contagious, eyes become itchy, red and watery with puffy eyelids. **PREVENTING THE SPREAD OF PINK EYE:** Follow these steps to prevent infecting others and re-infecting yourself. Try not to touch your eyes, if you do wash your hands immediately. Because the infection is on your hands. Use a clean towel or tissue each time you wipe your face or your eyes. Do not use eye makeup or share with others, because bacteria can live inside of makeup material. It is recommended not to wear contact lenses until the eye infection is completely eliminated. Change your pillowcases often and don't share towels and washcloths.
