### Why Does God Allow Good People to Suffer? (Part 11)

Paul's language in our text (**Hebrews 12:3-8**) is suggestive of the intimacy with God we may find in the midst of our suffering. Paul speaks of God as "Father." He is called, "the Father of our Lord Jesus Christ," and also "the Father of mercies" (**verse 3**). As the loving "Father" of our Lord Jesus Christ, God sent Him to the cross of Calvary to suffer for our sins in ways we cannot even fathom. God is our "Father," who comforts us in all our affliction. This He made possible through the sufferings of our Lord Jesus Christ. *Our comfort comes at the highest cost, a cost paid by the Son of God and by the loving Father who sent Him. What a comfort to know that both our suffering and our comfort come from a loving Father:*

**3** For consider Him who has endured such hostility by sinners against Himself, so that you may not grow weary and lose heart. **4** You have not yet resisted to the point of shedding blood in your striving against sin; **5** and you have forgotten the exhortation which is addressed to you as sons, "MY SON, DO NOT REGARD LIGHTLY THE DISCIPLINE OF THE LORD, NOR FAINT WHEN YOU ARE REPROVED BY HIM; **6** FOR THOSE WHOM THE LORD LOVES HE DISCIPLINES, AND HE SCOURGES EVERY SON WHOM HE RECEIVES." **7** It is for discipline that you endure; God deals with you as with sons; for what son is there whom *his* father does not discipline? **8** But if you are without discipline, of which all have become partakers, then you are illegitimate children and not sons.

### HealthCare Ministry – (Part 2)

#### “10 Ways to Stay Healthy During Coronavirus Pandemic”

Submitted by: Beatrice Ramsey

4. **Don't share a towel with anyone in your household who is sick.** - Get your own and make sure it is washed regularly with hot water. Dry towels in the sun or a hot dryer cycle. When anyone in your home has an infectious disease, don't risk spreading it with a contaminated towel. Everyone in the family should have their own and get it washed frequently.
5. **Don't shake hands, kiss or hug people.** - This is the time for fist- or elbow bumps. Or smile from an arm's distance.
6. **Don't touch your face.** - It's hard not to. Most people do it without thinking several times each hour. But germs you pick up from touching a contaminated surface may begin reproducing as soon as they contact moist areas of our eyes, nose and mouth.
7. **Avoid crowds.** - If you must go out where plenty of people are present, whenever possible keep a cough's distance away from them — about a meter (or yard). Someone near to you may be infected and show no symptoms.
