## Grown and Evangelizing (Part 26)

Submitted by: Eric W. Doss

**Application Question:** Why are so many of us not gospel-centered? Why is our joy not primarily in the gospel and its advancement?

Jesus commanded us to not store up riches on this earth in order to protect our hearts—in order to make our hearts kingdom-centered. He said this:

"Do not store up for yourselves treasures on earth, where moth and rust destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moth and rust do not destroy, and where thieves do not break in and steal. For where your treasure is, there your heart will be also."  
**(Matthew 6:19-21)**

One of the reasons many of us are not gospel-centered is because our hearts, and therefore, our joy is tied to the things of this earth. It is tied to our phones, our computers, our cars, our clothes, and many other materials. It is tied to our promotion and our advancement instead of kingdom advancement, and therefore, we are not mature and effective in witnessing for Christ. Paul's heart was centered on seeing people in heaven. Consider what he later says to the Thessalonians: "For what is our hope, our joy, or the crown in which we will glory in the presence of our Lord Jesus when he comes? Is it not you? Indeed, you are our glory and joy" **(1 Thessalonians 2:19-20).**

## Prayer Request

Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much. **James 5:16**

### HealthCare Ministry

#### “Bust Common COVID Myths and Learn Facts” (Part 4)

Submitted by: Beatrice Ramsey

#### 4. MYTH: All events reported to the Vaccine Adverse Event

Reporting System (VAERS) are caused by vaccination.

**FACT:** Anyone can report events to VAERS, even if it is not clear whether a vaccine caused the problem. Because of this, VAERS data alone cannot determine if the reported adverse event was caused by a COVID-19 vaccination.

Recently, the number of deaths reported to VAERS following COVID-19 vaccination has been misinterpreted and misreported as if this number means deaths that were proven to be caused by vaccination. Reports of adverse events to VAERS following vaccination, including deaths, do not necessarily mean that a vaccine caused a health problem.

Learn more about VAERS.

#### 5. MYTH: The mRNA vaccine is not considered a vaccine.

**FACT:** mRNA vaccines, such as Pfizer-BioNTech and Moderna, work differently than other types of vaccines, but they still trigger an immune response inside your body.

This type of vaccine is new, but research and development on it has been underway for decades.

The mRNA vaccines do not contain any live virus. Instead, they work by teaching our cells to make a **harmless piece** of a “spike protein,” which is found on the surface of the virus that causes COVID-19.

## PLEASE REMEMBER

### REGARDLESS OF YOUR VACCINATION STATUS:

1. **Stay home when you're sick**
2. **Properly wear your mask**
3. **Stay 6 feet apart in public spaces**
4. **Wash your hands often with soap and water for 15-20 seconds**
