Why Does God Allow Good People to Suffer? (Part 12)

9 Furthermore, we had earthly fathers to discipline us, and we respected them; shall we not much rather be subject to the Father of spirits, and live? **10** For they disciplined us for a short time as seemed best to them, but He *disciplines us* for *our* good, that we may share His holiness. **11** All discipline for the moment seems not to be joyful, but sorrowful; yet to those who have been trained by it, afterwards it yields the peaceful fruit of righteousness. **12** Therefore, strengthen the hands that are weak and the knees that are feeble, **13** and make straight paths for your feet, so that *the limb* which is lame may not be put out of joint, but rather be healed (**Hebrews 12:9-13**).

God, the Father of our Lord Jesus Christ, is now our Father because of the work of His Son (see **John 1:12; 1 Peter 1:17**). He is the "Father of mercies," not "the Father of mercy." He is the source of all kinds of mercies. *More than this, He is ultimately the source of every form of comfort, the "God of all comfort."* As "every good thing ... and every perfect gift is from above, coming down from the Father..." (**James 1:17**), so every manifestation of comfort comes from above as well. He is a merciful Father, the Father of mercies.

Suffering is the occasion where mercy and comfort are most evidently needed, and so it is in suffering that we come to know God as the "Father of mercies." I think of Asaph, the psalmist and author of **Psalm 73**. This worship leader was greatly distressed because he perceived (wrongly, in part) that the wicked were prospering while the righteous (as Asaph) were suffering. Then he realized the "prosperity" of the wicked is temporary and tentative at best.

8. **Wear gloves while out in public.** - Any cotton, wool or lycra glove will do. Don't touch the outside of the gloves when you remove them. And once home, wash the gloves in hot water (but don't dry wool ones with heat or they'll shrink). Disposable latex or other types of plastic gloves can be reused several times if you spray the outside with an alcohol-based disinfectant right before taking them off.

9. **Don't share papers.** - Now is the time to use digital documents. If your teachers don't ask you to write papers on a computer, suggest it. But make sure that everyone is expecting to move documents this way and looks for them. When it comes to the daily mail, dispose of envelopes and any papers you don't need as soon as you can. And then wash your hands.

10. **Practice good hygiene.** - Wash your hands. Cough and sneeze into your elbow. Keep in mind that you may become infected and show no symptoms. This means you might be able to infect people at high risk of serious disease, such as an elderly grandparent or a classmate with asthma.
