

June 2, 2024 Vol. 22
Senior Minister, Evangelist Eric W. Doss

MISSION: "To proclaim and teach the message of Jesus Christ, live for God, love one another and minister faithfully to people."

MEMORY VERSES: "God is our refuge and strength, a very present help in trouble." **Psalms 46:1**
"Humble yourselves therefore under the mighty hand of God, that He may exalt you in due time: Casting all your care upon Him; for He careth for you." **1 Peter 5:6 & 7**

MOTTO: GOD LOVES YOU AND WE LOVE YOU TOO!

JUNE (EDIFY TO GLORIFY)

From the Minister's Desk

To our distinguished visitors:

We are honored to have you worship with us! We'd love to get to know you better, share our mission and vision as a church and explore how you can become a part of our family.

If you, any member of your family or friends you know of are interested in becoming a member of the Liberty City Church of Christ, please contact any member of the Liberty City Church of Christ and they will direct your request to our Evangelism Ministry Leaders or you may call our Evangelist directly, Eric W. Doss (786) 491-5072

We are regular people from all walks of life. We are imperfect. We have strengths and weaknesses. But we love a perfect God, who sent the greatest example, Jesus Christ, and we want to spend eternity with Him.

We hope you will join us on this journey.

The Body's Filtering Systems

Submitted by: Beatrice Ramsey

The human body is remarkable. It is designed to maintain healthy activities for daily living. Let's focus our attention on two different types of filtering systems. First, the kidney involving the urinary tract system, filters the blood by removing waste and extra water, in the form of urine. **GOOD TO KNOW:** The kidney will filter about 200 liters of blood daily. 90% of the clean blood is reabsorbed back into the blood stream. The kidney also regulates the body's salt level. Salt is essential for your body to function properly; excessive amounts can be very harmful to your body.

The spleen, another type of organ that is responsible for blood filtering. It is a major part of the immune system, produces disease fighting antibodies removing waste from the blood by using white blood cells to kill microorganisms. Also, the white blood cells break down the dead cells for transmission to the liver for elimination from the body's gastrointestinal tract, through feces. The white blood cells in the spleen, stimulates the action of other immune system cells. The spleen stores blood and iron for future use in case of excessive bleeding. About 25% to 30% of red blood cells are stored in the spleen.

Pembroke Park
Church of Christ

I hope this message finds you well. I am writing to extend a warm invitation to you and your congregation to join us for an important community event that we believe will benefit many within your church family.

On Saturday, June 8, 2024, 9:00 AM to 12:00 PM, the Pembroke Park Church of Christ, in partnership with Kingdom LIFE Community Services, will be hosting a *Seniors Summit*. This educational summit will be held at our church facilities and is designed to provide valuable information not only for seniors but also for caregivers, veterans, retirees, and those approaching retirement.

The summit will feature expert speakers, including an estate planning attorney, a specialist in Medicaid and elder benefits, a healthcare professional, a social worker, and a financial advisor. Each will offer insights and guidance tailored to the needs of seniors and those who assist them in their daily lives. We recognize the crucial role that caregivers play in supporting our senior community, and this event aims to equip them with the necessary resources and knowledge to manage this important responsibility effectively.

You can find more details and register for the event by visiting our website at

<https://www.pembrokeparkcoc.com> and clicking on [PPCC Events](#);

We would be honored to have members of your congregation join us for this informative and empowering event.

Please feel free to share this invitation with your church community.

Thank you for considering this invitation, and we hope to see you on June 8th.

Warm regards,

Adam B. Brinson
Minister
