

June 23, 2024 Vol. 25  
Senior Minister, Evangelist Eric W. Doss

**MISSION:** "To proclaim and teach the message of Jesus Christ, live for God, love one another and minister faithfully to people."

**MEMORY VERSES:** "God is our refuge and strength, a very present help in trouble." **Psalms 46:1**  
"Humble yourselves therefore under the mighty hand of God, that He may exalt you in due time: Casting all your care upon Him; for He careth for you." **1 Peter 5:6 & 7**

**MOTTO:** GOD LOVES YOU AND WE LOVE YOU TOO!

**JUNE (EDIFY TO GLORIFY)**

**From the Minister's Desk**

To our distinguished visitors:

We are honored to have you worship with us! We'd love to get to know you better, share our mission and vision as a church and explore how you can become a part of our family.

If you, any member of your family or friends you know of are interested in becoming a member of the Liberty City Church of Christ, please contact any member of the Liberty City Church of Christ and they will direct your request to our Evangelism Ministry Leaders or you may call our Evangelist directly, Eric W. Doss (786) 491-5072

We are regular people from all walks of life. We are imperfect. We have strengths and weaknesses. But we love a perfect God, who sent the greatest example, Jesus Christ, and we want to spend eternity with Him.

We hope you will join us on this journey.

### Wound Healing --- Part 2

**Submitted by: Beatrice Ramsey**

Every wound goes through various stages of healing, depending on the type of wound and its severity. Primary wound healing is when a wound is closed with sutures, staples, glue or other means so that it heals underneath the closure. This type of healing occurs with clean-edge lacerations or surgical incisions. Secondary wound healing is a process where the wound is left open, to heal from the bottom upward, instead of stitching the wound together. This method is often used when there is significant tissue loss, and the wound edges can't be brought together. The third type of wound healing occurs when the wound is infected with a large amount of repeated drainage. It is left open for drainage requiring other treatments (*wound vac: machine collecting drainage, routinely cutting away dead tissue, for new tissue to grow*).

**Factors Affecting Healing:** Age, diseases, stress, smoking and alcoholism, medications, poor nutrient, decrease oxygen intake and poor wound care. Avoiding the previous factors will produce good wound healing.

WEEKEND June 29<sup>th</sup> and/or June 30<sup>th</sup>

Miami-Dade County Public Schools (M-DCPS) is partnering with Florida's Summer BreakSpot program to keep children well-nourished while school is out. During the summer, children up to age 18 can enjoy breakfast and lunch at no cost.

Between June 10 and August 2, breakfast and lunch will be served at more than 180 schools in Miami-Dade County, including Key Biscayne K-8 Center and MAST Academy. There are no income requirements or registration. Meals must be consumed on-site, as there is no longer any grab-and-go service.

Institutions serving meals are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity.
