

June 9, 2024 Vol. 23  
Senior Minister, Evangelist Eric W. Doss

**MISSION:** "To proclaim and teach the message of Jesus Christ, live for God, love one another and minister faithfully to people."

**MEMORY VERSES:** "God is our refuge and strength, a very present help in trouble." **Psalms 46:1**  
"Humble yourselves therefore under the mighty hand of God, that He may exalt you in due time: Casting all your care upon Him; for He careth for you." **1 Peter 5:6 & 7**

**MOTTO:** GOD LOVES YOU AND WE LOVE YOU TOO!

**JUNE (EDIFY TO GLORIFY)**

**From the Minister's Desk**

To our distinguished visitors:

We are honored to have you worship with us! We'd love to get to know you better, share our mission and vision as a church and explore how you can become a part of our family.

If you, any member of your family or friends you know of are interested in becoming a member of the Liberty City Church of Christ, please contact any member of the Liberty City Church of Christ and they will direct your request to our Evangelism Ministry Leaders or you may call our Evangelist directly, Eric W. Doss (786) 491-5072

We are regular people from all walks of life. We are imperfect. We have strengths and weaknesses. But we love a perfect God, who sent the greatest example, Jesus Christ, and we want to spend eternity with Him.

We hope you will join us on this journey.

**Love gives us memories. Faith gives us strength. Our hearts and prayers are with our bereaved sisters and brothers in Christ. Praying for peace and comfort to everyone impacted by loss. Our deepest heart-felt sympathy**

Praying for family, friends and everyone impacted at the passing of Brother Frank Marshall.

*Bro. Marshall was laid to rest on 6/8/2024.*

Let's continue to keep one another lifted in prayer!

## Leukemia

Submitted by: Beatrice Ramsey

God's extraordinary blueprint for the creation of humans is remarkable. It gives the body the ability to make and replace, damage or dead cells to meet the body's life sustaining needs. However, diseases will occur resulting from lifestyle, dietary intake, family history and environmental factors. Leukemia is a type of cancer, occurring in the blood and bone marrow, involving the white blood cells. Your white blood cells are potent infection fighters. They normally grow and divide in an orderly way, as the body needs them. But people with leukemia, the bone marrow produces an excessive amount of abnormal white blood cells. These cells can't fight infection and prevent the bone marrow from making red blood cells (carries oxygen and nutrients to all body parts) and platelets (stops bleeding by forming clots). According to researchers, men are 31% more likely to get leukemia than women.

### SYMPTOMS:

- feeling tired / weak
- fever or night sweat
- easy bruising or bleeding
- weight loss or loss of appetite
- petechiae – tiny red dots under the skin from bleeding

Diane Davis	6/14
Robin Ward	6/29
Toryan Dunlap	6/30

I asked for strength and  
God gave me difficulties to make me strong

I asked for wisdom and  
God gave me problems to solve.

I asked for prosperity and  
God gave me brawn and brains to work.

I asked for courage and  
God gave me dangers to overcome.

I asked for patience and  
God placed me in situations where I was  
forced to wait.

I asked for love and  
God gave me troubled people to help.

I asked for favors and  
God gave me opportunities.

I received nothing I wanted  
I received everything I needed.

My prayers have all been answered.

### Happy Anniversary Alvin & Teresa Davis 6/25
