August (Still Have Joy)

From the Minister's Desk

To our distinguished visitors:

We are honored to have you worship with us! We'd love to get to know you better, share our mission and vision as a church and explore how you can become a part of our family.

If you, any member of your family or friends you know of are interested in becoming a member of the Liberty City Church of Christ, please contact any member of the Liberty City Church of Christ and they will direct your request to our Evangelism Ministry Leaders or you may call our Evangelist directly, Eric W. Doss (786) 491-5072

We are regular people from all walks of life. We are imperfect. We have strengths and weaknesses. But we love a perfect God, who sent the greatest example, Jesus Christ, and we want to spend eternity with Him.

We hope you will join us on this journey.

Stress Management: Part 2A

Submitted by: Beatrice Ramsey

Stress is part of being human, and it can help motivate you to get things done. Even high stress from serious illness, job loss, a death in the family, or a painful life event can be a natural part of life. You may feel down or anxious, and that's normal too, for a while. Talk to your doctor, if you feel down or anxious for more than several weeks or if stress starts to interfere with your home or work life. **REMEMBER:** the way you handle stress makes a big difference; in the way you feel. Effective stress management, will help your blood pressure, blood sugar level and help provide normal body functioning activities. **GOOD TO KNOW:** nothing affects your stress level like the voice inside your head. The good news, you are in control. You can change negative thoughts for positive ones, without side effects.

Positive self – talks provide better coping skills, for when hard times comes. Laughter is another way of reducing stress. A good sense of humor can't cure all ailments, but it can make you feel better. Laughter cools down your stress status and cause a positive change in your body.
