(Fall-Ing In Love with Him)

From the Minister's Desk

To our distinguished visitors:

We are honored to have you worship with us! We'd love to get to know you better, share our mission and vision as a church and explore how you can become a part of our family.

If you, any member of your family or friends you know of are interested in becoming a member of the Liberty City Church of Christ, please contact any member of the Liberty City Church of Christ and they will direct your request to our Evangelism Ministry Leaders or you may call our Evangelist directly, Eric W. Doss (786) 491-5072

We are regular people from all walks of life. We are imperfect. We have strengths and weaknesses. But we love a perfect God, who sent the greatest example, Jesus Christ, and we want to spend eternity with Him. We hope you will join us on this journey.

Grieving Stages – Part 3

Submitted by: Beatrice Ramsey

In the past three lessons, we have discussed the first three stages of the grieving process: denial, anger and bargaining. Today we will continue with more information on the grieving process.

DEPRESSION: in this stage, people begin to realize and feel the true extent of the death. Sadness a symptom that automatically takes first place, in a person's mental behavior. Other symptoms include – trouble sleeping, poor appetite, weakness from lack of energy and crying spells. Also, you may feel lonely with social isolation. But what is really scary, suicidal thoughts. Complicated grief refers to experiencing symptoms of grief continuously for more than a year. This can affect your mental and physical health, interfere with relationship and daily responsibilities, these reactions are very serious.

ACCEPTANCE: gradually most people find that the pain of 'loss' eases away, and it is possible to accept what has happened. You may never 'get over' the death of someone that was precious to you. But you are able to acknowledge your emotions while still moving forward. Grief survivors redirect their emotional energy from suffering to new activities that brings them pleasure.
