November
(Each One Bring One)

From the Minister's Desk

To our distinguished visitors:

We are honored to have you worship with us! We'd love to get to know you better, share our mission and vision as a church and explore how you can become a part of our family.

If you, any member of your family or friends you know of are interested in becoming a member of the Liberty City Church of Christ, please contact any member of the Liberty City Church of Christ and they will direct your request to our Evangelism Ministry Leaders or you may call our Evangelist directly, Eric W. Doss (786) 491-5072

We are regular people from all walks of life. We are imperfect. We have strengths and weaknesses. But we love a perfect God, who sent the greatest example, Jesus Christ, and we want to spend eternity with Him. We hope you will join us on this journey.

Dietary Supplements

Submitted by: Beatrice Ramsey

A good quality multivitamin is one of the most important supplements for good health. Because the majority of Americans are not able to meet their daily nutrient needs, by diet alone. Supplements such as Vitamin A- helps to maintain healthy teeth, bones and soft tissues. There are 13 vitamins our body's needs, 8 of these 13 are all in the Vitamin B group. Next week we will discuss more about the 8 different Vitamin B group. Vitamin C – is an antioxidant that helps maintain healthy teeth and gums. It also helps the body absorb iron, maintaining healthy body tissues and is essential for wound healing. Vitamin K – is needed to help the body produce a clotting factor to slow down or stop the bleeding, until medical help can control the bleeding problem. It also helps to maintain strong bones in older adults.

GOOD TO KNOW: Vitamin K can have a dangerous interaction with any type of anticoagulant medications. Because anticoagulant interferes with blood clots. Let your doctor know, you are taking Vitamin K, before taking anticoagulant medication.

 What comes to you is credit.
 What goes from you is debit.
 Death is your closing stock.

 Your bad habits are your liabilities.
 Your happiness is your profit.
 Your sorrow is your loss.
 Your soul is your goodwill.
 Your heart is your fixed assets.
