**From the Minister's Desk**

To our distinguished visitors:

We are honored to have you worship with us! We'd love to get to know you better, share our mission and vision as a church and explore how you can become a part of our family.

If you, any member of your family or friends you know of are interested in becoming a member of the Liberty City Church of Christ, please contact any member of the Liberty City Church of Christ and they will direct your request to our Evangelism Ministry Leaders or you may call our Evangelist directly, Eric W. Doss (786) 491-5072

We are regular people from all walks of life. We are imperfect. We have strengths and weaknesses. But we love a perfect God, who sent the greatest example, Jesus Christ, and we want to spend eternity with Him. We hope you will join us on this journey.

### **Bipolar Disorder**

**Submitted by: Beatrice Ramsey**

Bipolar disorder, formerly called manic depression, a mental health condition that causes extreme abnormal personality mood swings. These mood swings can affect a person's sleeping pattern, energy activities and judgment interfering with their ability to think clearly. Episodes of mood swings from depression to manic behavior, may occur rarely or multiple times a year. Between episodes, some people have long periods of emotional stability. Others may frequently have mood swings from depression to manic behavior or have both at the same time. **REMEMBER:** manic depression is always part of another per-existing mental health condition. Bipolar disorder causes noticeable problems at work, school and social activities, because of the interference in getting along with others. This behavior may cause a break from reality, known as psychosis. You may need to stay in the hospital for treatment. Thoughts about suicide and acting on these thoughts are common for people with bipolar disorder.

Symptoms of bipolar disorder can be hard to identify in children and teens. However, the most noticeable signs, in children and teens may be severe mood swings that aren't like their usual mood swings. Bipolar disorder is lifelong, you can manage your illness by following a treatment plan.

Surround yourself with friends who will tear a hole in the roof, lift you up, and carry you down to the feet of Jesus.

Does anyone else just wish that Jesus would walk into your kitchen, sit down with a cup of coffee, look at you and say "ok, here is what we are going to do".
