## The Effect of Pain And Dyspnea

Researchers have concluded that dyspnea (shortness of breath) and pain are strongly associated. Both symptoms warn individuals, there is a threat to their normal health status, requiring immediate medical attention. The co-occurrence between dyspnea and pain display closeness in older adults, because both of these symptoms and other health conditions, increases during aging. Examples: chest pains, back pains, arthritis, asthma and emphysema. **GOOD TO KNOW:** pain can indeed cause shortness of breath and vice versa. Pain especially in the chest or abdomen, .

can trigger a physical response that leads to shallow or fast breathing, making you feel like you are out of breath. Additionally, pain can be associated with anxiety or stress, which can also worsen breathing difficulties. When experiencing pain, the body may automatically react by taking short shallow breaths. This happens, because pain can cause muscle tension, in the chest and diaphragm (a muscle that separate the chest from the abdomen) making it harder to breathe deeply and effectively. Summary: pain and shortness of breath can have a great impact on your life.

## GOD, I'M SORRY

Dear God, I'm not perfect,  
and I'm sorry for all the times I begged  
for forgiveness and ran back to sin.

Sometimes I judge others.  
Sometimes I get angry with others.  
Sometimes I say things I shouldn't.  
and Sometimes I worry about what  
the future holds....

God, I'm sorry that I fail You more  
times than I can count, but I thank You  
for still choosing me. May You grant me  
faith and strength so that I can live  
according to Your will.

## Read This In Silence

Thank you for carrying the cross I could never carry.

By your wounds I am healed.

By your sacrifice, I'm redeemed.

By your love, I'm forgiven.

By your grace, I'm saved.

By your guidance, I'm found.

In your mercy, I find strength.

In your light, I find clarity.

In your Word, I find the way.

I love You, Jesus.

All the glory be to You, my Lord, my King, my eternal love. If you love Jesus, Amen
